Re: ID #C00025379 - October Quarterly Report (8/24/00- 9/30/00)

Dear Mr. Young:

This letter is in response to your January 18 letter.

The missing information has been obtained for the following individuals:

- Charles Lee Thiernann
- Paul Tipps
- L. Richard Fischer

The remaining individuals have not responded to date. Therefore, I have sent another letter to their addresses as I have them listed in the report. I will continue to follow-thru with these individuals. (Letters were sent out last month to these individuals. As per your previous letters, the letters to contributors state that this information is required by law and individuals are requested to respond.)

To further detail our process: personal contacts were made to all individuals who hosted fund raisers and /or solicited contributions, to inquire about these individuals. Also, membership lists for lawyers, bankers, financial advisors located on the internet and in hard print, were also reviewed by staff to track down those individuals with missing information. Attempts have also been made to obtain home phone numbers for these individuals and additional phone follow-up will be carried-out where possible. All of these efforts have only obtained information to date on the three individuals listed above and on the enclosed report forms.
